- Washington Trails Association
- Willow Tree Tutoring
- WJFA Community Youth
- Woodinville Arts Alliance
- Youth Volunteer Corps
- YMCA

Neighborhood Community Service Ideas:

1. Tutoring: With parental permission, help a younger student in your neighborhood with homework. This can count for volunteer hours if you are not compensated (monetary or otherwise) and have an adult to verify your hours. Leota's tutoring class does not count for hours but the tutoring club does.
2. Helping your neighbors. You can help people other than the ones in your own home with gardening, walking their dog, etc. Again, you cannot be compensated for your help

Leota Service Hour Ideas:

1. Participate in a NJHS organized event. Throughout the year we will plan two or more events. As a group we will decide what these will be and when they will occur.
2. Help a teacher or other staff member. Ask someone on the Leota staff if they need any help before or after school.
3. Create your own service project at school. Find a need at Leota and come up with a plan to fix it. Make sure to have your project approved by Mrs. Fast and the principal.
