## SECTION ONE: REQUIRED CORE COURSES

When completing online registration, you must enter both A\&B for yearlong classes.
We strongly encourage all students to register for at least one Challenge class. Middle school is a time to stretch and explore, and this is a great time for students to begin their post-secondary preparation.

SECTION FOUR: REGISTER ONLINE IN SYNERGY. Remember to enter your course requests in Synergy. You can check the accuracy of the requests by noting 12 courses entered with the total credits being equal to 6 . A yearlong class counts as 2 selections - e.g. Ch. English 8 should have two entries (ENG850A \& ENG850B) \& a semester class will be one selection only. Alternate elective requests will have an additional 5 entries. Once entered, course requests will automatically be saved.

Be advised that some semester electives may not be offered if sign-ups are not adequate or staffing is not available. LMS cannot guarantee that a student will receive any particular elective request. By signing below, you are making a commitment to your choices. Change requests will only be considered for:

1. Wrong placement (incorrect level or duplicate course)
2. Medical reason
3. Incomplete schedule
