Principal

Let's Talk About MS

Classes

**These are the courses currently
offered at Leota.**

Special Education Classes

- LC Social Skills
- ML Social Skills
- Academic Lab
- LC Math
- ML Math
- LC English
- ML English

Case Managers

The SpEd department works together very closely, as many of the students are shared among each of us.

Just a Little FYI...

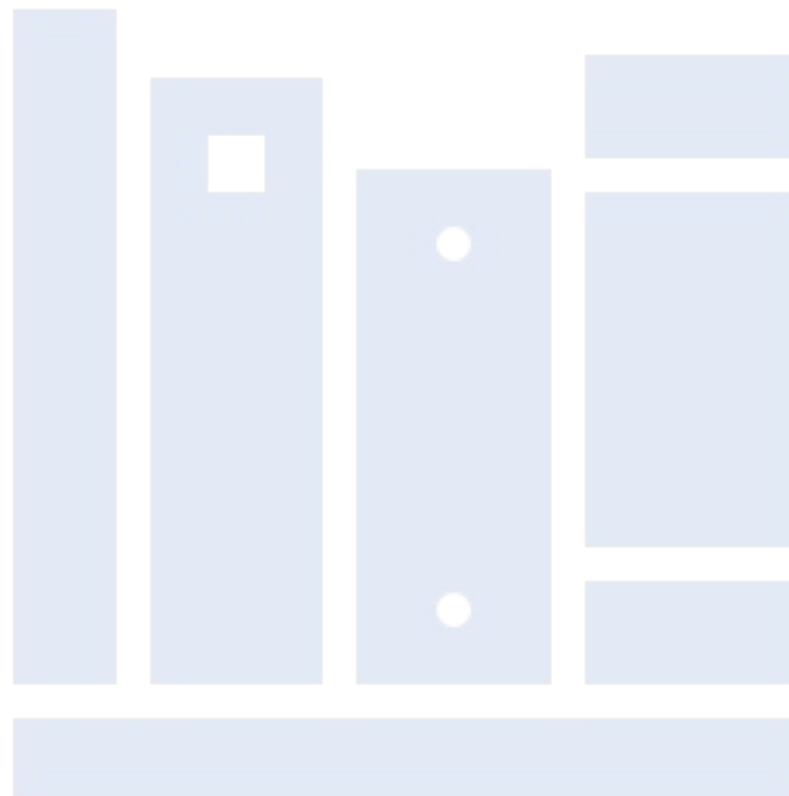

- **Students will be assigned their middle school Case Manager in late August.**
- **At this time, your elementary Case Manager is the best contact for IEP information.**

School Registration

Note: We have coordinated Special Education services with the elementary Case Managers.

What Happens Now?

- Registration will take place at your child's elementary school.
- Keep an eye out for the registration papers headed home.
- IEPs will match Leota's service minutes.
- Students will have opportunities for general education classes.

PS: One last thing...

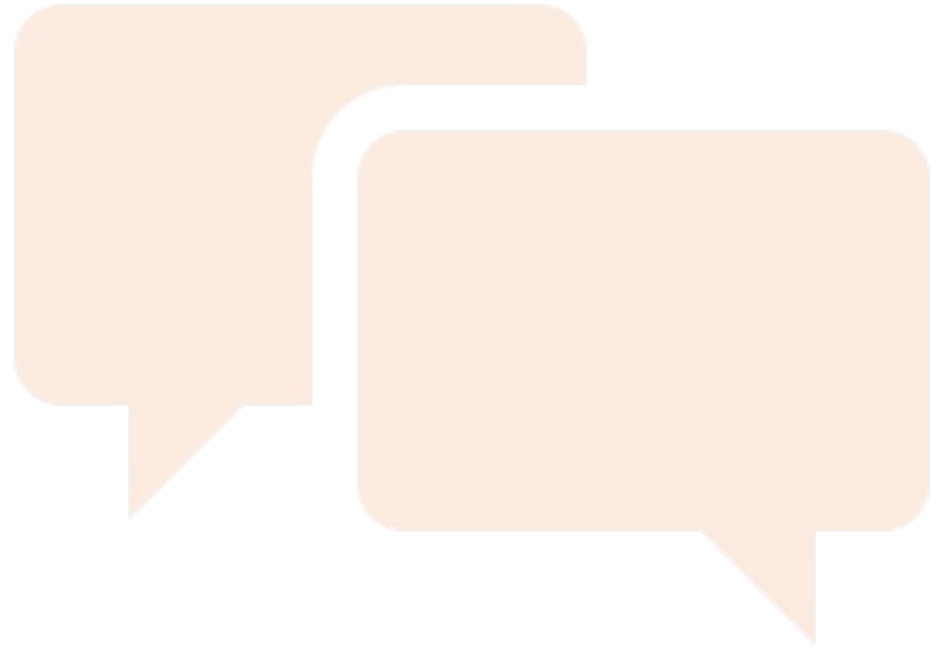

Around the beginning of the new school year, you can expect the following to happen:

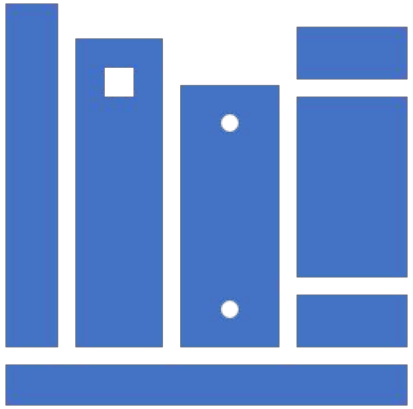

✓ **Your Case Manager will send out an introductory email to you.**

✓ **Case Managers make sure that your child's teachers have IEP information, including the accommodations and support pages.**

Questions-Answers

Thank you for attending!
